3.2 Definitions

Contracting Officer A person, appointed in accordance with the FAR/NFS, with the authority to enter into, administer, change and/or terminate Government contracts and make related determinations and findings.

Contracting Officer's Technical Representative A COTR is a qualified Government employee appointed by the Contracting Officer to act as their technical representative in managing the technical aspects of a particular contract. The Technical organization is responsible for ensuring that the individual they recommend to the Contracting Officer possesses training, qualifications, and experience commensurate with the duties and responsibilities to be delegated and the nature of the contract.

Knowledge, Skills, Abilities, and Other Characteristics KSAOC's are attributes the employee needs to possess to fulfill the requirements for a given position and are established by the applicable supervisor or manager who has a detailed subject matter knowledge of the duties to be performed.

Statement of Work See MSFC procurement procedures for definition.

4.0 INSTRUCTIONS

4.1 Monthly Review

In accordance with the definition of the deliverables and frequency of their delivery, as specified in the contract statement of work, the Contracting Officer (CO) and the Contracting Officer's Technical Officer (COTR) shall physically review all deliverables on a monthly basis for accuracy, completeness, and timeliness.

RESPONSIBLE PARTIES: CO and COTR

4.2 Fee Amount Determination

The CO and the COTR shall determine the fee amounts based on the contractor's performance and in accordance with the objective standards specified in the contract statement of work.

RESPONSIBLE PARTIES: CO and COTR

6.0 SAFETY PRECAUTIONS AND WARNING NOTES

None

7.0 APPENDICES, DATA, REPORTS, AND FORMS

None

8.0 QUALITY RECORDS

The official Quality Records for a contract are held by the Contracting Officer. However the COTR should maintain a file of all contract deliverables, contract modifications, and contract fee calculations for his/her records (these are not Quality Records). These should be maintained in the COTR's office for the duration of the contract. They may be maintained longer if either specified by the contract or as deemed necessary by the Contracting Officer and/or the COTR. These records must be destroyed by shredding.

The table below contains the Quality Record for this Organizational Instruction.

Record Title	Description of Record	Authority	Retention	Notes
Special Training	Memorandum for record with COTR Training listing employee and training date.	MWI 5100.1, paragraph 3.3.1.1	Forever, updated as employees transfer into or out of the organization	Memorandum is kept and maintained by FD40 Dept MSA.

9.0 TOOLS, EQUIPMENT, AND MATERIALS

None

10.0 PERSONNEL TRAINING AND CERTIFICATION

All employees who serve as Contracting Officer's Technical Representatives are required to complete the COTR training course to become certified.
